**Healing with the Fairies**

When a group of powerful fairies contacted Doreen Virtue, her life became an enchanting story of healings, manifestation, and true love. Healing with the Fairies is Doreen's very personal story of how the fairies helped her deal with a divorce and prepare herself for a spiritually based relationship. In this truly inspired book, you'll read how the fairies introduced Doreen to her lifelong soulmate, a man who she later discovered was the boy-next-door she'd had a childhood crush on. You'll also learn, along with Doreen, about the fairies' incredible powers of manifestation. Doreen shares what the dolphins, mermaids, dragonflies, and other members of the elemental kingdom taught her. You'll see that the fairies have the ability to help you create and attract miracles, and this book can teach you how to work with them to empower and heal your entire life!

**The Angel Therapy Handbook**

Doreen Virtue has taught her Angel Therapy Practitioner course since 1997, helping thousands to learn the skills of spiritual healing and psychic readings in concert with the angels and archangels. Now, she has amassed the tools, secrets, and exercises that she teaches her students in a comprehensive handbook. Whether you’re a professional healer, or just want to polish your natural spiritual gifts, this handbook is a vital reference tool that you can refer to again and again.

**Angel Medicine**

When Doreen Virtue visited Santorini Island in Greece recently, she was contacted by a powerful group of angels calling themselves the "angels of Atlantis." Doreen was then taken on an amazing spiritual adventure, where she uncovered the ancient secrets of the healing temples of the lost civilizations of Atlantis. Doreen found that her previous healing work with the angels, as well as the thousands of case studies of angelic healing that she’d amassed over the years, dovetailed perfectly with the messages from the angels of Atlantis. Part spiritual adventure story and part reference book, Angel Medicine is a three-part work that relates the exciting story of Doreen’s recovery of memories of Atlantean healing methods along with messages from the Egyptian and Greek prophet and deity Hermes and the angels. The second and third parts of the book reveal the scientific studies, case studies, methods, and charts supporting the importance of love and light in healing. Whether you want to heal yourself or someone else, you’re sure to gain additional faith and understanding from reading Angel Medicine.

**When Action Follows Heart - 365 Ways to Share Kindness**

"Kindness is exactly what we need in our fractured world right now—it provides the simplest path
to healing." A single act of kindness, whether to a friend or a stranger, can become a spool of generosity that unwinds and touches the lives of so many. . . From Woman’s Day Editor-in-Chief Susan Spencer comes a heartwarming book featuring 365 kindness-focused actions. With beautifully whimsical illustrations by artist Jutta Kuss, this book shows how small acts can make a big difference. When Action Follows Heart was inspired by the Kindness Project, a monthly column in the magazine that highlights good deeds and everyday kindnesses from Woman’s Day readers from all over. The idea behind it is simple: to showcase readers’ kind acts toward others. Whether it’s bringing a box of doughnuts to a fire station, yielding a parking space to the other person vying for it, collecting blankets for the homeless, or even sharing a smile—these acts are sure to make your world a little brighter. Full of practical advice; uplifting stories; and inspirational quotations, this book is a must-have for anyone looking to bring positivity and joy into their lives—and the lives of others.

Messages from Your Angels

Messages from Your Angels is a sequel to the bestselling Angel Therapy, 75,000 sold! This is a channeled book that contains uplifting and fresh information from the angelic realm. The angels, including Archangel Michael, provide healing messages that help readers to heal from emotional pain, find their life’s purpose, understand their love life, and make decisions about important life areas. Doreen receives many letters from people who find Angel Therapy a steady source of comfort and guidance. Many people keep Angel Therapy next to their bed, and open it randomly, like an oracle. Messages from Your Angels will offer new levels of comfort, inspiration, and guidance, and will function as a divination tool as well.

Angel Words

When Doreen and her son Grant Virtue were recording podcasts, they noticed that whenever she said the word angel, the recording graphics were shaped like angel wings! So they studied the other words she said and realized that those with a spiritual or loving basis had large graphs. So they experimented with saying negative words and found that their appearance was completely different: tight and small. Similar to Masaru Emoto’s work with water crystals, Angel Words gives visual proof of the power and impact of speaking in a loving way. You’ll come to understand why positive words express the most energy and therefore have the most power to manifest your dreams. You'll also see how negative words have low energy and read how they can actually draw negative experiences to you. This unforgettable book will immediately motivate you to choose positive words!

Mary, Queen of Angels

A nondenominational book about the Virgin Mary presents stories of those who have experienced healings by and visitations from her, offers prayers involving her, and discusses symbols associated with her.
