**Defy**

"I should've never taken that dangerous shortcut through the unlit alley to the frat party. It was where I saw a fellow student brutally murdered and how I made my way onto a cartel leader's hit list. As a federal witness, I thought I was safe in the protective custody of the FBI ... that is until I woke up chained in the monster's basement. When a powerful and lethal soldier claiming to be a bounty hunter shows up, I'm not sure if he's rescuing me or dragging me towards a greater hell. But after a series of experiences that defy death, the overwhelmingly sexy, dirty-minded, Navy Seal trained and hot blooded bounty hunter -- who obviously plays by his own rules -- just might win my trust"-- Amazon.com.

From New York Times & USA Today Bestseller, Vi Keeland, comes a steamy new romance novel. The rules: No dating. No sex outside of the game. No disclosing the terms of the contract. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn’t be hard to live up to my end of the bargain…so I thought.
