**Don't Try To Find Me - A Novel**

When a fourteen-year-old runs away, her parents turn to social media to find her—launching a public campaign that will expose their darkest secrets and change their family forever, in this suspenseful and gripping debut for fans of Reconstructing Amelia and Gone Girl. Don’t try to find me. Though the message on the kitchen white board is written in Marley’s hand, her mother Rachel knows there has to be some other explanation. Marley would never run away. As the days pass and it sinks in that the impossible has occurred, Rachel and her husband Paul are informed that the police have “limited resources.” If they want their fourteen-year-old daughter back, they will have to find her themselves. Desperation becomes determination when Paul turns to Facebook and Twitter, and launches FindMarley.com. But Marley isn’t the only one with secrets. With public exposure comes scrutiny, and when Rachel blows a television interview, the dirty speculation begins. Now, the blogosphere is convinced Rachel is hiding something. It’s not what they think; Rachel would never hurt Marley. Not intentionally, anyway. But when it’s discovered that she’s lied, even to the police, the devoted mother becomes a suspect in Marley’s disappearance. Is Marley out there somewhere, watching it all happen, or is the truth something far worse?

**This Is Not Over - A Novel**

You’ll have your deposit within seven business days, just like it says on Getaway.com. I’ve put through a refund to your credit card for the full amount, minus $200 to replace the stained sheets... Miranda When 30-year-old Dawn reads Miranda’s email, she sees red. People have always told Dawn she’s beautiful, and she just hopes they don’t see beneath—to how she grew up, to what she’s always tried to outrun. She revels in her getaways with her perfect (maybe too perfect) husband, the occasional long weekend in luxurious homes, temporarily inhabiting other people’s privileged lives. Miranda’s email strikes a nerve, with its lying intimation that Dawn is so dirty you need to throw out her sheets. Beware of your “host” I wouldn’t have left a review at all, if I didn’t feel it was my civic duty to warn others… 57-year-old Miranda thought she’d seen it all, but she can’t believe her eyes when she reads Dawn’s review. She’s a doctor’s wife but she needs that rental money, desperately. People might think her life is privileged, but they don’t know what’s really going on. They don’t know about her son. She won’t take this threat to her livelihood—to her very life—lying down. Two very different women with this in common: Each harbors her own secret, her own reason why she can’t just let this go. Neither can yield, not before they’ve dredged up all that’s hidden, even if it has the power to shatter all they’ve built. This is not over. This is so not over.

**How Far She's Come - A Novel**

From the highly acclaimed author of Don’t Try to Find Me and This is Not Over comes the unforgettable, harrowing story of a young broadcast journalist who discovers a mysterious diary from a female broadcaster in 1991 featuring startling—and frightening—parallels to her own life.
You might be wondering what a diary from 1991 has to do with you. You're about to find out. Those who don't learn from the past are doomed to repeat it... Twenty-four-year-old Cheyenne Florian has just received her dream job offer. On the strength of a few vlogs, she's recruited to be the new correspondent on the recently hatched Independent News Network, INN. With the slogan “Because independent thinking is the only way out,” INN has branded itself as innovative. Yet once Cheyenne joins the INN team, she finds age-old dynamics in play. Some of the female staff resent her meteoric rise, while a number of the men are only too happy to welcome her. Then there's the diary left for her anonymously, written in 1991 by a female broadcaster named Elyse Rohrbach. The mysterious diary is accompanied by a note, urging Cheyenne to learn from the past. She wants to believe it's intended as inspiration and friendly advice, or at most, a warning. But as disturbing—and increasingly dangerous—parallels begin to emerge, she starts to wonder if something more sinister is at work. It's almost as if someone is engineering the similarities in Cheyenne’s life to match those from Elyse's past, like she's a pawn in a very twisted game. But Cheyenne is determined to rewrite the rules and play her own game. Though they're separated by more than twenty-five years, Elyse and Cheyenne are forced to learn the same lesson: Nothing is more threatening than a woman who doesn't yet know her own power...

Don't Read the Comments

We all need a place to escape from the real world. For Divya and Aaron, it's the world of online gaming. While Divya trades her rising-star status for sponsorships to help her struggling single mom pay rent, Aaron plays as a way to fuel his own dreams of becoming a game developer – and as a way to disappear when his mom starts talking about medical school. After a chance online meeting, the pair decides to team up – but soon find themselves the targets of a group of internet trolls who begin launching a real-world doxxing campaign, threatening Aaron's dream and Divya's actual life. They think can drive her out of the game, but Divya's whole world is on the line... And she isn't going down without a fight. “Wonderfully geeky and deeply compassionate.” —Marieke Nijkamp, #1 New York Times Bestselling Author

The Understudy

Written By Sophie Hannah, BA Paris, Clare Mackintosh, and Holly Bron, this psychological thriller is perfect for fans of Liane Moriarty and Louise Candlish How far would you go to protect your daughter? Four mothers must identify the true threat at their daughters’ school before it's too late. Carolyn, Bronnie, Elise, and Kendall are bound together by one thing-their four daughters are best friends at the highly competitive Orla Flynn Academy for the Performing Arts. Last year the foursome exploded because of brutal bullying between the girls, but they've since forgiven each other. The mothers, however, haven't been able to move on. When new threats surface and “accidents” begin to happen - just as a mysterious new girl enters the scene - the mothers take matters into their own hands. But they will have to risk their own secrets being exposed if they stand a chance at uncovering the truth... Four incredible novelists come together to tell this unique, brilliantly written suspense novel

Stay Gone - A Novella
“A mother is just a woman who gave birth to you. You don’t need her to like you, or love you. Because a mother’s just another person. She was. And now she’s dead.” Growing up, Rae played the good girl, hoping to win her mother Marlene’s love. But Marlene favored Rae’s dangerous older brother Thomas, even after he nearly got teenage Rae killed. The night Thomas disappeared was the best night of Rae’s life. Now 28 years old and engaged, Rae is nursing Marlene, who has advanced cancer and one last request: for Rae to find Thomas and bring him home. Thomas purports to be a changed man, the CEO of his own meteorically successful company. But Rae knows he’s hiding something. When Marlene takes a turn for the worse, is it assisted suicide or murder? The answer goes back decades, through secrets and pain, and comes back full circle. Rae has to figure out who she can really trust. Or else. Poor little good girl . . . who’ll save her now?

**A Necessary End - A Novel**

How far would you go to get what you wanted? The author of Don’t Try to Find Me returns with a taut, riveting novel of psychological suspense—a domestic drama full of secrets and twists—about a woman determined to have a child, her ambivalent husband, and a pregnant teenager with a secret agenda of her own. “I know now that there was no other way things could have turned out. Tragedies are inevitable, just like the great love stories, like us.” Thirty-nine-year-old Adrienne is desperate to be a mother. And this time, nothing is going to get in her way. Sure, her husband, Gabe, is ambivalent about fatherhood. But she knows that once he holds their baby, he’ll come around. He’s just feeling a little threatened, that’s all. Because once upon a time, it was Gabe that Adrienne wanted more than anything; she was willing to do anything. . . . But that was half a lifetime ago. She’s a different person now, and so is Gabe. There are lines she wouldn’t cross, not without extreme provocation. And sure, she was bitten once before by another birth mother—clear to the bone—and for most people, it’s once bitten, twice shy. But Adrienne isn’t exactly the retiring type. At nineteen, Leah bears a remarkable resemblance to the young woman Adrienne once was. Which is why Adrienne knows the baby Leah is carrying is meant to be hers. But Leah’s got ideas of her own: Her baby’s going to get a life in California; why shouldn’t she? All she wants is to live in Adrienne’s house for a year after the baby’s born, and get a fresh start. It seems like a small price for Adrienne to pay to get their baby. And with Gabe suddenly on board, what could possibly go wrong?

**The Wicked King**

The enchanting and bloodthirsty sequel to the New York Times bestselling novel The Cruel Prince. You must be strong enough to strike and strike and strike again without tiring. The first lesson is to make yourself strong. After the jaw-dropping revelation that Oak is the heir to Faerie, Jude must keep her brother safe. To do so, she has bound the wicked king, Cardan, to her, and made herself the power behind the throne. Navigating the constantly shifting political alliances of Faerie would be difficult enough if Cardan were easy to control. But he does everything in his power to humiliate and undermine her even as his fascination with her remains undiminished. When it becomes all too clear that someone close to Jude means to betray her, threatening her own life and the lives of everyone she loves, Jude must uncover the traitor and fight her own complicated feelings for Cardan to maintain control as a mortal in a Faerie world.
Absolute Despotism

The passage of SB590190 amended the Constitution, and the United States descended into the bowels of chaos through the pursuit of perfect equality. The President became a Dictator and "the fault, dear Brutus, is not in our stars, but in ourselves, that we are underlings." Or at least that's what Abigail Johnson's mother told her. Welcome to the new America: States have been merged into seven separate Regions, All Media is a branch of the Government, personal property is seized, the Constitution dismantled, and all Citizens tagged and monitored. Anyone believed to be conspiring against The State will be put to death as a traitor. Abigail Johnson remembers when these Executive Orders were issued and her life upturned. Working as a Junior Editor at a State Magazine in Denver, she is haunted by the recent death of her mother and memories of attending rebel meetings in her youth. While trying to stay a step ahead of her past, everything will explode. Two former acquaintances reemerge; involving her in what will become the Nation's most critical battle for rights and freedoms to date. Framed as a Terrorist for the bombing of a building, Abigail is faced with two important decisions: to run or to join the fight against Absolute Despotism.

As Good as Dead - The Finale to A Good Girl's Guide to Murder

THE NEW YORK TIMES BESTSELLING SERIES WITH OVER ONE MILLION COPIES SOLD

THE HIGHLY ANTICIPATED FINALE TO THE A GOOD GIRL'S GUIDE TO MURDER SERIES, THE INSTANT BESTSELLERS THAT READ LIKE YOUR FAVORITE TRUE CRIME PODCAST OR SHOW. BY THE END OF THIS MYSTERY SERIES, YOU'LL NEVER THINK OF GOOD GIRLS THE SAME WAY AGAIN... Pip is about to head to college, but she is still haunted by the way her last investigation ended. She's used to online death threats in the wake of her viral true-crime podcast, but she can't help noticing an anonymous person who keeps asking her: Who will look for you when you're the one who disappears? Soon the threats escalate and Pip realizes that someone is following her in real life. When she starts to find connections between her stalker and a local serial killer caught six years ago, she wonders if maybe the wrong man is behind bars. Police refuse to act, so Pip has only one choice: find the suspect herself—or be the next victim. As the deadly game plays out, Pip discovers that everything in her small town is coming full circle . . .and if she doesn't find the answers, this time she will be the one who disappears. . .
