Hydra

Deep in the Scottish Highlands, near the shore of Loch Ness, lies Nattertinny Castle whose name, in Gaelic, means "dragon-fire castle." Before her death, Faye Goodwin mentioned a dragon who lived near the loch. Hoping to find the long-lost dragon, Ilsa brings her daughters to the castle near Loch Ness. Wren, middle child of Ram and Ilsa, has been afraid of deep water and the dangers that may lurk there ever since sinister creatures nearly drowned her in the Caspian Sea. But Ed, the mysterious porter at Nattertinny Castle, knows about deep lakes and the monsters that dwell in their fathomless depths. He promises to keep Wren safe from whatever attacked her under the water...but to what lengths must he go to keep his promise?

Dragon

Dragon—Book One of the Dragon Eye seriesIlsa has been afraid of dragons ever since she saw them in the sky the night she was chased from her village as a child. Now, a decade later, she'd love to return to the place she once called home—if only she knew where to find home. Truth is, Ilsa doesn't know who she is. She only knows her father left her in the care of a guy named Ram, who teaches her swordsmanship in a butcher shop until the day when it's safe for her to continue home. But it may never be safe, and their enemies are closing in. Ilsa and Ram are being hunted, and they must flee through the dangers that bar them from their homeland. The journey will require all their skill and strength, but it will also uncover the secrets of who Ilsa is and where she belongs. She's always longed for the truth, but once she learns it, can she accept it? Is she...a dragon? And do those ancient monsters even deserve to live? Cinders - The Untold Story of Cinderella

Everything you've been told is wrong. Oh, not everything, I suppose. Yes, I turned a pumpkin into a coach and mice into horses. The stroke of midnight, the glass slippers, and the prince searching for a girl whose foot fit the shoe...those were all part of the story. And yet, the prince didn't just fall in love with Cinderella because she looked good at the ball. Pigeon feathers and pollywogs! Could you respect him if he did? I must certainly could not. No, no, there was vastly more that happened before the night of the ball, and a great deal of international intrigue after. Cinderella was a warrior who saved the life of the prince and defended her kingdom from oppressors who were plotting to overthrow the king. They didn't tell you that part? It's time, past time, for you to know the true story of the real Cinderella.

Beauty and the Beast and the Enchantress
They say I'm evil. They've called me jealous, petty, obsessive...wicked. But none of those who call me a villain realize what I was up against, and how my actions saved the prince and the kingdom. For years I told myself it didn't matter what they thought—I knew the truth, and that was enough. As time goes on, though, it's occurred to me that history often repeats itself. And we came so close to losing everything the last time. There is a fate worse than death, and it almost befell us all. In order to understand that, you've got to know the whole story. Many people have attempted to tell the story of Beauty and the Beast, but none of those understood why I did what I did. This is my side of the story.

**Diamond in the Rough**

I'm stepping off a nine hour flight when it happens. A white van. A dark hood. Every woman's worst nightmare. "Diamond in the Rough is masterfully written, sinfully sexy, and utterly addictive! Skye Warren proves why she is the queen of dark and delicious romance." - Giana Darling, USA Today bestselling author

Now I'm trapped in an abandoned church. The man who took me says I won't be hurt. The man in the cell next to me says that's a lie. I'll fight with every ounce of strength, but there are secrets in these walls. I'll need every single one of them to survive. "Five glowing stars! Diamond in the Rough is the dark and dangerous world that I love from Skye Warren. You will be completely caught up in Elijah and Holly's story from the first page to the last." - New York Times bestselling author Aleatha Romig

**Unconventional Warfare (Special Forces, Book 1)**

Discover the secret missions behind America’s greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALS, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops.

**The Power of Habit - Why We Do What We Do in Life and Business**

NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In The Power of Habit, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the NFL to
the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, The Power of Habit contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author “Sharp, provocative, and useful.”—Jim Collins “Few [books] become essential manuals for business and living. The Power of Habit is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good.”—Financial Times “A flat-out great read.”—David Allen, bestselling author of Getting Things Done: The Art of Stress-Free Productivity “You'll never look at yourself, your organization, or your world quite the same way.”—Daniel H. Pink, bestselling author of Drive and A Whole New Mind “Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change.”—The New York Times Book Review

**The Extraordinaries**

An Indie Bestseller! An Indie Next Pick! A Gold Nautilus Book Award Winner! Some people are extraordinary. Some are just extra. New York Times bestselling author TJ Klune’s YA debut, The Extraordinaries, is a queer coming-of-age story about a fangirl with ADHD and the heroes he loves. Nick Bell? Not extraordinary. But being the most popular fanfiction writer in the Extraordinaries fandom is a superpower, right? After a chance encounter with Shadow Star, Nova City’s mightiest hero (and Nick’s biggest crush), Nick sets out to make himself extraordinary. And he’ll do it with or without the reluctant help of Seth Gray, Nick’s best friend (and maybe the love of his life). Rainbow Rowell’s Fangirl meets Marissa Meyer’s Renegades in TJ Klune’s YA debut. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

**The Book of the Damned**

"Time travel, UFOs, mysterious planets, stigmata, rock-throwing poltergeists, huge footprints, bizarre rains of fish and frogs—nearly a century after Charles Fort's Book of the Damned was originally published, the strange phenomenon presented in this book remains largely unexplained by modern science. Through painstaking research and a witty, sarcastic style, Fort captures the imagination while exposing the flaws of popular scientific explanations. Virtually all of his material was compiled and documented from reports published in reputable journals, newspapers and periodicals because he was an avid collector. Charles Fort was somewhat of a recluse who spent most of his spare time researching these strange events and collected these reports from publications sent to him from around the globe. This was the first of a series of books he created on unusual and unexplained events and to this day it remains the most popular. If you agree that truth is often stranger than fiction, then this book is for you"—Taken from Good Reads website.

**Pippa of Lauramore**

2nd Edition Princess Pippa of Lauramore is not your average princess. Unwilling to sit back and
let princes and lords compete for her hand without her input, Pippa decides to do whatever she can to give strong, kind, and handsome Prince Galinor of Glendon the advantage he needs to win the marriage games. With the help of Archer, the kingdom's master archer and her childhood friend, everything seems to be going according to Pippa's schemes. But whenever dragons get involved, plots don't always go as planned... With Pippa's future at stake and her happiness on the line, Pippa and Archer must make sure they engage all their wits and strength to make sure that the right prince gets the princess—even if he turns out to be the wrong man in the end.
